

Tyler, Suzanna, and Emalynn

Dear Mama,

We are Tyler, Suzanna, and Emalynn. We are incredibly thankful that you are considering us as a family for your beautiful, precious child. Adoption is something that God has put on our hearts before we were married. We have been praying for y'all through this entire journey and hope you have the peace that surpasses all understanding in your decision.

We are in awe of the courageous, loving, hard, and selfless person you are. We respect, value, and love you deeply. We truly believe that the LORD knew your story before the earth's foundations were laid. We are praying for you and are hopeful that we will meet and become connected to you!

Tyler, Suzanna, and Emalynn

This is us

We are high school sweethearts who met through our first job at McDonald's in 2014. Nine years later, we have been best friends ever since! We got married in 2017 at an amphitheater that was on the same road as the McDonald's we met at.

It is only by the grace and mercy of God that we are where we are today. He has blessed us and our marriage! Our constant prayer is that we will be a family that loves, seeks, honors, and serves Jesus joyfully!

What gave us our desire and heart for adoption is the love that God the Father has shown us by adopting us as His sons and daughters through Jesus Christ. We believe that adoption is close to God's heart, and we are so excited to welcome another child into our family.

Meet Tyler

THROUGH SUZANNA'S EYES

Tyler is a family man; you'll always find him close to either me or our daughter or all of us together! We always have so much fun together. He has a great sense of humor; he's a fierce and strong protector of his family and those he loves. Most importantly, he is a follower of Christ, and through his actions and love for me, his wife, I believe you'd see that clearly about him!

His desire for this life has always been to be able to provide for his family so I could stay home with our kids and have a big family. He loves playing and spending time with our baby girl and looks forward to the day when we can add another little one to the chaos! He graduated with a degree in Media Arts Production and a certificate for photography. So, we use him as our professional photographer for all family pictures.

Meet Suzanna

THROUGH TYLER'S EYES

Suzanna is a full-time stay-at-home mother and wife. She graduated college with a degree in Criminal Justice with the desire to be a police officer but felt led and blessed to be a housewife. She works harder and longer hours than I do and does it all joyfully! She is a rockstar and cares so much for our little family.

She loves to cook, craft, read, run, and go thrifting! Her love for the Lord influences every part of her life. Her self-sacrificial love, compassion, and service for others reflect our beautiful Lord Jesus Christ. Her only quirk is that when she sneezes, you have to wait at least like ten sneezes before saying "bless you!"

Meet our sweet Emalynn!

Emalynn is a sassy, vibrant, compassionate little girl with a big personality! For a three-year-old, she has such a huge heart and is super duper excited to be a big sister. She is ready to love and play with her baby sibling and teach them all her hardcore dance moves! Emalynn isn't old enough to be in school, but we plan to homeschool her and our future child/children.

Tyler's family

2 Brothers, 1 Sister

2 Brothers-in-Law

2 Nieces, 1 Nephew

Tyler has a big family that all live very close together. They're always having family meals after church and enjoying the love of family. One fun thing about his family is that they are all huggers! Some of Tyler's closest friends are his family.

Suzanna's family

2 Brothers

2 Brothers-in-Law, 1 Sister-in-Law

2 Nieces, 1 Nephew

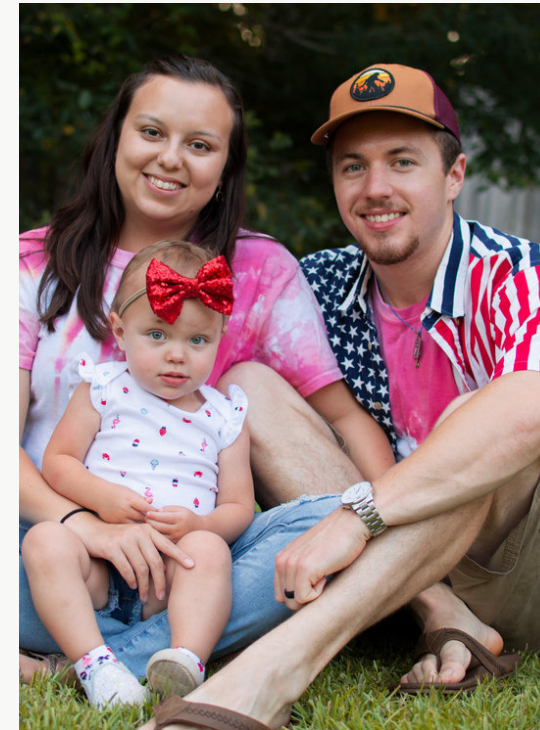

Suzanna has a wonderful family that spreads across two countries. Her father is from Veracruz, Mexico and most of his family still lives there. It is always a joy when they get to visit America! She also has a twin brother who she's 3 minutes older than. She doesn't let him live that down because everyone thinks he's the big brother. God has blessed us both with amazing, wonderful, supportive, and caring families who can not wait to have another little one to love on!

Holidays, Traditions, and Celebrations

Getting together for the holidays is a significant priority for both of our families. We love just gathering, eating, and enjoying each other's company! A couple of family traditions in our home around Christmas are wearing matching pajamas and making Jesus pancakes! After making the pancakes, we sing "Happy Birthday" to Jesus and celebrate all He has done for us.

Another thing we look forward to doing throughout the year is around college football season. We love coordinating with our Clemson attire and watching the game as a family. We really enjoy matching on every holiday whether it be July 4th, Easter, Halloween, Thanksgiving, or any holiday. It is kind of our thing!

Daily life and travels

While Tyler is at work, Emalynn and Suzanna usually have a busy day. They typically have a day filled with a walk at a local track near the house, some lunch, and sometimes an outing with a friend to shop or go to the museum. Then it's time for Daddy to come home, and that's when we wind down, eat supper, do our family devotion, and sometimes go to our niece or nephew's ball game. Lastly, we say our goodnight prayers and get some rest for the next day to come!

We don't get to travel often, but when we do, it's such a special time! We love going to the beach, camping, and visiting new cities. We also enjoy stay-cations and quality family time in our local area.

Friendships

We have been blessed with some very close friends who are reliable, loving, and supportive. They have been so encouraging on our adoption journey and have been praying alongside us every step of the way! We gather weekly for small group bible study and try to squeeze in game nights whenever our schedules align. Most of us have small children and plan to have a close homeschooling community.

Home

We love our cozy three-bedroom home. It has a beautiful front yard and plenty of forest in the backyard for exploring nature! We are only minutes away from our church and some of our favorite restaurants.

The Nursery

Putting this room together has been such a sweet and sentimental experience. Everyone in the house agrees that the nursery has a special comforting, calming sense.

“You made all the delicate, inner parts of my body and knit me together in my mother’s womb. Thank you for making me so wonderfully complex! Your workmanship is marvelous—how well I know it.”

Psalm 139:13-14

Family values

In all of God's Word, in Jesus Christ our Lord, and that only He can save us from our sins.

Our family's mission statement:

To grow in our desire to love, honor, and serve Jesus Christ joyfully everyday!

Our values:

To follow Jesus' example, to be self-sacrificial with all that we have, and to build up and edify His Church with the spiritual gifts He has given us.

Our promise:

To respect, cherish, and love, not only your child, but you as well. To love your child as our own unconditionally because we know God has ordained all of these things to happen as part of His perfect plan. To bring up your child "in the way [they] should go" and "in the discipline and instruction of the Lord" (Prov. 22:6, Eph. 6:4).

Our Sentiments

Thank you for taking the time to read about us, who we are, and what we value as a family. We have been and will continue to pray for you and your baby.

We would be honored if you wanted to be a part of our lives. Considering adoption shows you are a strong person, as we know, it takes an unselfish love to put your child's needs above your own heart. We pray that the Lord will give you "The peace of God, which surpasses all understanding" in making this decision for your baby (Phil. 4:7).

Tyler, Suzanna, and Emalynn

*Thank you for the privilege of
considering our family!*
