[1] Fees quoted reflect the adoption expenses to be expected by the applicant with the exception of the foreign Preplacement & Coordinating fee. This pre-adoption processing fee charged by the foreign country can be less than the quoted amount if the child resides in an orphanage near Manila. Otherwise, adoption fees charged by CAS and the foreign country are not generally changed, waived, reduced, or refunded though CAS has no control over fee changes imposed by the foreign country.

Payments for CAS fees are to be made payable to CAS via cash, check or credit card. Payments made via credit care are subject to a 2.7% processing fee. In situations where a refund cannot be provided, such as a donation or grant received over the total amount of an adoption, CAS will hold the financial credit so that it can be applied to another adoption for up to three years. If after three years, the surplus funds are not used, CAS will apply the monetary amount to the Woodward Scholarship fund.
